

The image shows a light-colored, textured surface with a subtle embossed floral pattern. The pattern consists of various floral motifs, including a large, multi-petaled flower on the right side and a circular wreath-like design on the left. The embossing is very faint, creating a delicate, tactile texture. In the bottom right corner, there is a small, rectangular label with the text "BLQ31G-18" printed in a dark, sans-serif font.
